Hi,I'm SHEMA
From Rwanda.

About Me!

Hello! I'm Semana, a passionate software engineer and aspiring game developer based in Kigali, Rwanda. With a background in software engineering and studies at ALU Rwanda, I'm constantly working to refine my skills in coding, debugging, and system analysis. I have a deep interest in machine learning, cybersecurity, and gaming, and I'm driven to make a positive impact on Africa and beyond through innovative software solutions. I value teamwork and a cheerful approach to challenges, always eager to learn and grow as I work towards becoming a professional in both software engineering and game development.
